

Boost transformative approaches for sustainable food systems and healthy diets

NFP services

“Boost transformative approaches for sustainable food systems and healthy diets”

Netherlands Food Partnership

- NFP foundation Jan 1 2021, now preparative phase
- Resources: agile core group of coalition builders / knowledge brokers, and budget to engage experts and provide seed money
- Budget: 2021/2022 = EUR 5 mln/year (+ coalitions invest in kind and/or in cash)
